Legend:

IRD: Initial Registration Date

RD: Reference Date

FRD: Final Registration Date

¹If any Party challenges the Identification Order Report, a Party that opposes the challenge may submit a written response within 10 days. The Special Master will then have 10 days from any response to make a determination. Any filed challenge will extend the Initial Registration Date by the number of days required to lodge and resolve the challenge.

²The Initial Registration Date and all corresponding deadlines may be extended by an agreement of the NPC and Defendants or by order of the Court.
